Meet The Course Leader

Trainer: Tarek Darwish

Tarek Darwish is a senior project management practitioner, consultant, trainer, and speaker with over 20 years of international experience. He's delivered high-impact training and consulting across industries – including construction, IT, telecom, energy, and government – helping professionals turn complex projects into real-world success stories.

A certified expert in Project Management, Scheduling, Agile, and AI-powered project tools, Tarek blends deep technical know-how with a sharp business edge. His sessions are fast-paced, practical, and packed with insights that professionals can apply immediately.

Whether training senior executives or junior coordinators, Tarek is known for his clarity, energy, and real-world focus. He's trained thousands of professionals across the Middle East, Europe, and Africa – and now he's bringing that experience to you, live and online.

10 Frequently Asked Questions FAQ's

Q1: Who is this course for?

This course is designed for professionals looking to build or strengthen their project management skills. It's ideal for engineers, planners, coordinators, team leads, and anyone involved in managing or supporting projects — regardless of industry or experience level.

Q2: What will I learn in this course?

You'll gain a thorough, practical understanding of how to plan, execute, control, and close projects. Topics include project lifecycle, scope, time, cost, risk, scheduling basics, and key tools — all taught with real-world examples and templates.

Q3: How is the course delivered?

The course is delivered live via Zoom over 2 days. You'll receive the meeting link and access details immediately after completing your payment. The course is delivered live via Zoom over

2 days. You'll receive the meeting link and access details immediately after completing your payment.

Q4: Will I receive any course materials?

Yes. You'll receive downloadable PDFs, templates, and reference slides during or after the sessions.

Q5: Will I get a certificate?

Yes. A certificate of attendance will be emailed to you within 2 days of course completion.

Q6: Can I join from anywhere in the world?

Yes! The course is designed for a global audience and is delivered online. All you need is a device with internet access.

Q7: Will the sessions be recorded?

Yes. All sessions will be recorded and shared with enrolled participants after the course. Recordings will include the full session as delivered, without edits. Live attendance is still strongly encouraged for interaction, exercises, and to get the most value from the training.

Q8: What if I miss a session or part of the course?

We recommend attending both full days to get the most value. If something urgent comes up, you'll still receive the course materials, and we may offer future options to catch up.

Q9: How do I pay and enroll?

Click the "Enroll Now" button on this page and complete your payment securely via PayPal. You can pay with a PayPal account or any credit/debit card — no account needed.

Q10: Is the payment refundable?

Payments are non-refundable. However, if you can't attend after registering, we may transfer your seat to a future session upon request.
